

The background features a modern, multi-story building with a dark facade and large glass windows. The letters 'AAU' are prominently displayed on a dark horizontal band across the building's facade. In the foreground, a large, well-maintained green lawn is populated by numerous students. Some are sitting on the grass in small groups, while others are standing or walking. A young man in a dark blue t-shirt and shorts is captured in a dynamic pose on the right side of the frame. On the left, a young man is lying on his back on the grass, looking at his phone. A young tree stands on the far left, and a soccer goal is visible in the distance on the left side. The sky is clear and blue.
